

2023 MSU Garden Plant Tour Highlight

DGI Propagators' favorite plants from our participation in the 2023 MSU Michigan Garden Plant Tour

Scan Me For Color

Begonia I'Conia La Luna

36 Cell Tray | H: 11" | W: 25" | Dummen Orange

- Iconias are great for sun or shade
- La Luna is a beautiful bluish white with pink backings that compliments in combinations and on it's own

Bracteantha Granvia Crimson Sun

51 Cell Tray | Mounding | H: 18-30" | Suntory

- Supersized Strawflower!
- Full and vigorous plants and flowers will be twice the size of standard Bracteantha

Calibrachoa Calitastic Cappuccino

51 Cell Tray | Mounding | H: 6-12" | Westhoff

- Early to bloom variety
- Mounding habit that has large warm bicolor flowers

Coleus Down Town Vegas Neon

51 Cell Tray | Upright | H: 8-12" | Dummen Orange

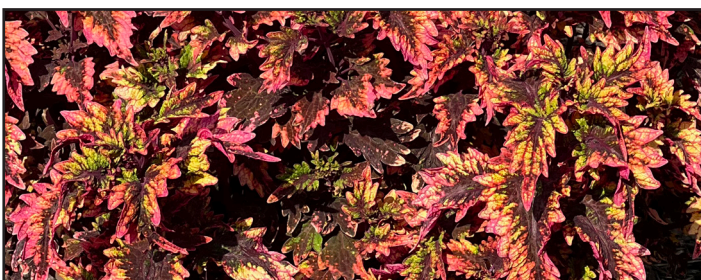

- Serrated leaf shape with a bold look
- Smaller framework than typical coleus plants

Coleus Under The Sea Barracuda

51 Cell Tray | Compact | H: 15-18" | Hort Couture

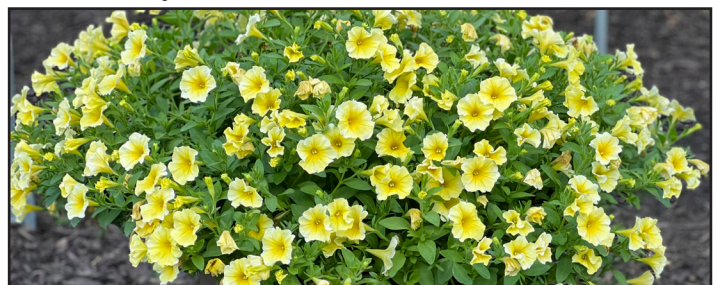

- Barracuda has toothy golden leaves netted by red with a dark purple blaze in the center

Petchoa Caliburst Yellow

36 Cell Tray | Mounding | W: 6-10" | PanAmerican Seed

- First Petchoa from seed
- Vibrant yellow with a nice controlled habit

Petchoa Supercal Premium Red Maple

51 Cell Tray | Mounding | H: 14-24" | Sakata

- Great heat and rain tolerance
- Beautiful vibrant scarlet red flowers

Petunia Splash Dance Moonwalk & Violet Vogue

51 Cell Tray | Mounding | H: 10-12" | Danziger

- Unique speckled pattern
- Holds its pattern well in the heat
- Blooms early enough for any market

Petunia SweetSunshine Blueberry Vein & Magenta Sky

51 Cell Tray | Trailing | W: 20-30" | Selecta One

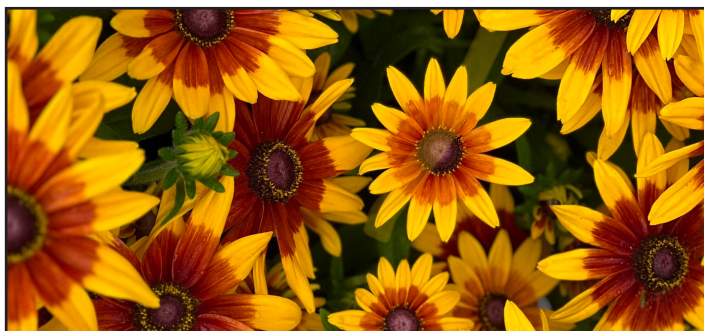

- Semi double blooms stay strong in all weather conditions
- Both of these have eye catching color

Rudbeckia Sunbeckia Mia

36 Cell Tray | Mounding | H: 18-30" | Bull Plant Genetics

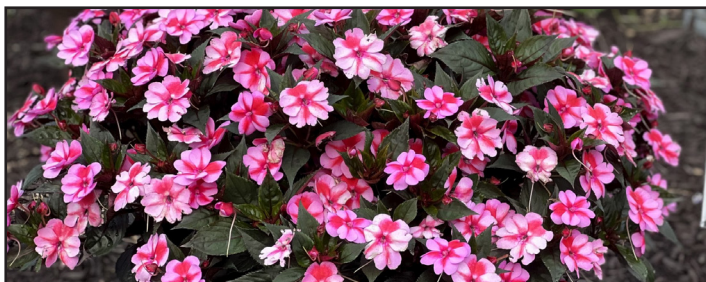

- Hirta type Rudbeckia for summer/fall production
- Mia has giant bicolor flowers that bloom all summer

Sunpatiens Compact Red Candy

51 Cell Tray | Mounding | H: 14-28" | Sakata

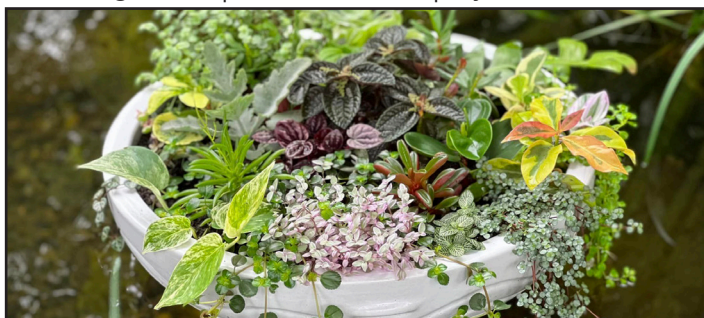

- Early to bloom
- Large light pink flowers with red highlights on dark bronze foliage

Welcome To The Jungle Foliage

36 Cell Tray | Weeks 1-18 Availability | Dummen Orange

- Confident colors, tantalizing textures, and fancy foliage for a perfect retail display
